And in your ^Fheart
You know they feel like you ^{Dm}do

[Refrão]

^CSound and pulse and volume ^F
Hands just reaching other hands
^CThis is almost overload

Are all just human in the end
^CThis is so damn simple, yeah
^FIt's so damn simple

[Segunda Parte]

So standing in the steady throne of ^Frestless hope
You don't feel like an outcast anymore

You can see for what seems ^{Dm}miles

You know they feel like you ^{Dm}do

[Refrão]

^CSound and pulse and volume ^F
Hands just reaching other hands
^CThis is almost overload
^FI said almost overload
