

Snow Patrol - Signal Fire

Tom: A

A Gbm E D
The perfect words never crossed my mind,
A A Gbm E
'cause there was nothing in there but you,
A Gbm E D
I felt every ounce of me screaming out,
A Gbm E E
But the sound was trapped deep in me,
A Gbm E D
All I wanted just sped right past me,
A Gbm E E
While I was rooted fast to the earth,
A Gbm E D
I could be stuck here for a thousand years,
A Gbm E
Without your arms to drag me out,

Refão

A E Gbm D
There you are standing right in front of me (x2)
A E Gbm D
All this fear falls away to leave me naked,
A E Gbm D
Hold me close cause I need you to guide me to safety
A E Gbm D

No I wont wait forever (x2)

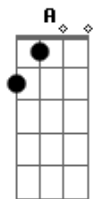

Verso 2

A Gbm E D
In the confusion and the aftermath,
A A Gbm E
You are my signal fire,
A Gbm E D
The only resolution and the only joy,
A Gbm E
Is the faint spark of forgiveness in your eyes,

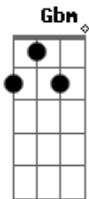

Refão

A E Gbm D
There you are standing right in front of me (x2)
A E Gbm D
All this fear falls away to leave me naked,
A E Gbm D
Hold me close cause I need you to guide me to safety,
A E Gbm D
There you are standing right in front of me (x2)
A E Gbm D
All this fear falls away to leave me naked,
A E Gbm D
Hold me close cause I need you to guide me to safety,
A E Gbm D
No I wont wait forever (x3)
