The perfect words never crossed my mind
'Cause there was nothing in there but you

I felt every ounce of me screaming out
G **Em7** **D**
But the sound was trapped deep in me
G **Em7** **D** **C**
All I wanted just sped right past me
G **Em7** **D**
While I was rooted fast to the earth
G **Em7** **D** **C**
I could be stuck here for a thousand years
G **Em7** **D**
Without your arms to drag me out

[Refrão]

G **D** **Em7** **C**
There you are standing right in front of me
G **D** **Em7** **C**
All this fear falls away to leave me naked

Hold me close cause I need you to guide me to safety

No I wont wait forever

[Segunda Parte]

In the confusion and the aftermath

You are my signal fire
G **Em7** **D** **C**
The only resolution and the only joy
G **Em7** **D**
Is the faint spark of forgiveness in your eyes

[Refrão]

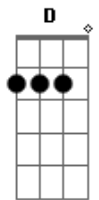

G **D** **Em7** **C**
There you are standing right in front of me
G **D** **Em7** **C**
All this fear falls away to leave me naked

Hold me close cause I need you to guide me to safety
