**G** **A2** **C**

**G** **A2** **C**

**G** **A2** **C**  
The winters mark the earth

**G** **A2** **C**  
It's floored with frozen glass

**G** **A2** **C**  
They slip into my arms

**G** **A2** **C**  
And you quickly caress yourself

**G** **A2** **C**  
You freeze and speech 'bove us

**G** **A2** **C**  
Seem to hold your words aloft

**G** **A2** **C**  
I want the smoky of the clouds of laughter

**G** **A2** **C**  
To swim above me forevermore

Refrão:

**G** **Am** **F**  
I will race you to the water side

**G** **Am** **F**  
And from the edge of Ireland shout out

**G** **Am** **F**  
So they could hear it in America

**G** **G** **F**  
It's all for you

**G** **A2** **C**  
The shells crack under our shoes

**G** **A2** **C**  
Like punctuation points

**G** **A2** **C**  
The planets bend between us

**G** **A2** **C**  
A hundred million suns and stars

**G** **Am** **C**  
In seafull then the silence

**G** **Am** **C**  
Before you said those words

**G** **Am** **C**  
And I'll even end the dark place

**G** **Am** **C**  
I could see how good you are

Refrão:

**G** **Am** **F**  
I will race you to the water side

**G** **Am** **F**  
And from the edge of Ireland shout out

**G** **Am** **F**  
So they could hear it in America

**G** **Am** **F**  
It's all for you

It's all for you

It's all for you

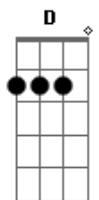

It's all for you

It's all for you

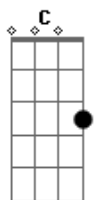

It's all for you

( **G** **C** )
