

# Snow Patrol - Whatever's Left

Tom: G

**A**  
It's a feeling I've had many times before  
**A** **Abm**  
I can't hold the fort so don't give me more  
**A** **Abm**  
I struggle and sweat when I'm wide awake  
**A** **Abm**  
When I know I'm fine, I'm not used to fine

(refrão)

**Gbm** **G**  
It's the same thing again  
**C** **D**  
But it could become a problem if  
**Gbm** **G**  
We don't deal with it now  
**C** **D**  
And you blast off in another rant  
**Gbm** **G**  
I've not opened my mouth  
**C** **D**  
Can you read my mind so easily

**Gbm** **G**  
As the madness sets in  
**C** **D**  
You must know that I'll follow you  
**C**  
You must know that I'll follow you  
**D**  
You must know that I'll follow you  
**C**  
You must know that I'll follow you  
**D**  
You must know that I'll follow you

**A** **Abm**  
A sudden movement and a broken limb  
**A** **Abm**  
The patches are there to show where I'm hit  
**A** **Abm**  
My fault is it now well that's news to me  
**A** **Abm**  
Curled and joyless we try once again
