Intro: **D A G**
D A G
D A G

D A G
 You could be happy and I won't know
D A G
 But you weren't happy the day I watched you go
D A G
 And all the things that I wish I had not said
D A G
 Are played in loops 'til it's madness in my head

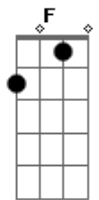

Em D G
 Is it too late to remind you how we were?
Em D G
 But not our last days of silent, screaming blur
Em D G

Most of what I remember makes me sure
D A G
 I should have stopped you from walking out the door

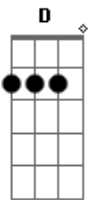

D A G
 You could be happy, I hope you are
D A G
 You made me happier than I'd been by far
D A G
 Somehow everything I own smells of you
D A G
 And for the tiniest moment it's all not true

Em D G
 Do the things that you always wanted to
Em D G
 Without me there to hold you back, don't think, just do
Em D G
 More than anything I want to see you go
D A G
 Take a glorious bite out of the whole world
