

Só Pra Contrariar - Menina Mulher

Tom: F

(intro) F7 E7- Am Gm C7 F7 Em Dm Em F7 Em Dm F Am

Olhando agora pra você não imaginaria

Que o passar do tempo fosse um dia

Fazer da menina uma mulher

Desapercebido, não notei que a flor se abria

Flor menina, hoje tão felina

Linda felina, linda que quer

Me dar todo o amor que sempre escondeu no peito

Foi surpresa, fiquei tão sem jeito

Eu que não via nem o seu olhar

Que sonhava um dia quem sabe me amar

Que sonhava um dia quem sabe me amar

Você que se guardou pra mim num sentimento

Se fez mulher

Pra que eu te olhasse, enfim em um momento qualquer

Me fez despertar

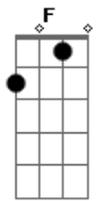

Ver o seu sonho escondido e agora, então

Te dou o meu coração

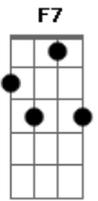

Vou me entregar

(Ser dessa paixão)
