

# Soccer Mommy - Circle The Drain

tom:

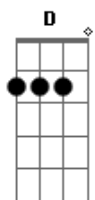

A  
I wanna be calm like the soft  
D A Bm  
Summer rain on your back  
Bm  
Like the fall of your?shoulders  
A D Bm D  
But?everything just brings?me back down  
A D  
To the cold hard?ground  
Bm  
And it keeps getting colder  
A D Bm D  
It?s a feeling that boils in my brain  
A D  
I would dial back the flame  
Bm  
But I?m not sure I?m able  
A D Bm D  
I?m wobbling out on the wire  
A D  
And the lights could go out  
Bm  
With the break of a cable  
Gbm Dbm Cm Bm  
Things feel that low sometimes  
D  
Even when everything is fine  
A A D Bm  
Hey I?ve been falling apart these days  
A A D Bm  
Split open watching my heart go  
A D  
Round and around  
Bm D  
Round and around  
A D  
Circle the drain  
Bm  
I?m going down  
A D  
(Round and around)  
Bm D  
(Round and around)  
A D  
(Round and around)  
Bm  
(Round and around)  
A D Bm D  
I?m trying to seem strong for my love  
A D  
For my family and friends  
Bm  
But I?m so tired of faking  
A D Bm  
?Cause I?m chained to my bed when they?re gone  
D A D  
Watching tv alone  
Bm  
Until my body starts aching  
A D Bm  
And I think there?s mold in my brain  
A D
