

Soccer Mommy - Royal Screw Up

tom:

A

I am a liar and my truths are shackled in
My dungeon of fire
I'm the princess of screwing up
And you wear your armor
And you save pretty girls like me

A E
But I'm not so pretty
A E
When I am naked
A E
You are a mirror
A E
Say I'm the fairest of all

Abm A E Dbm D A Abm
I am "fake it 'til you make it" in a can
A E
And you have a calmness
Dbm D A Abm
That I could ne-ver understand

A E
But you let me in and
A E
You will regret it
A E
'Cause I'm only looking
A E
For my skewed reflection in you

Abm A E Dbm D A Abm
Fallen out of what I thought was love
A E
'Cause you are a question
Dbm D A Abm
That I thought I could solve
A E

But you don't need solving
You're just not what I want and

Abm A E
I want an answer
A E
To all my problems
A E
There's not an answer
A E
I am the problem for me

Abm A E
Now and always
Dbm D A Abm
I will break my own bones
A E
'Til my legs stop walking
Dbm D A Abm
And my bed is my throne
A E
My room is a kingdom
Dbm D A Abm
For the princess of screwing up

A E
And I'll be the dragon
A E
I'll hold me captive
A E
My world is sinking
A E
And I am the captain of
Abm A E
It all
Abm A E
Of it all
Abm A E
Of it all
Abm A E
Of it all
Abm A
Mm--mm
