

Soen - Lunacy

tom:
Am

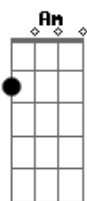

Intro: Am

Am
Can you see me, am I still here?
G
Tell me not to give in
Am G
Can you hear me, is it time to walk again
F
To that place in silence?
Go back to the shadows
Am
Back to the shadows
(Am)
Am
Can they heal me?
G
Can they help me, be myself once again?
Am
Can they?
Am I dreaming, am I feeling love
F
Or is this just consolation?
F
I'm begging the devil
To feed me venom
(Am F Am F)
(Am G F Am)
(Am F Am F)
(Am G C Am)
F Am F Am
There's a silhouette beside me, cutting tangles of my hair
F Am G F
Will this lunacy allow me to remember who I am?
Am F Am
The reflection on the mirror shows me eyes that cannot see
F Am G F
And I'm trapped inside illusion, severed from reality
Am F
In my head it ain't over
Dm F G
I surrender and give in to delusion deep within
Am F
It's in my head, taking over
Dm F G
And the only voice I hear is a prayer for release
(Am)

All these pieces do not fit in my cosmic-self
Am
Overthinking everything
G
Inconvenient, unexpected sounds
F
That call for my strained reaction
My own occupier
E F E
Reset and rewire
(C F C F)
(C F Ab E)
F Am F Am
There's a silhouette that haunts me, and I know I can't be saved
F Am G F
As the shapes are moving closer and my sanity derails
F Am F Am
The reflection on the mirror shows me eyes that cannot see
F Am G F7M
And the calling of a vision alters my reality
Am F
In my head it ain't over
Dm F G
I surrender and give in to delusion deep within
Am F
It's in my head, taking over
Dm F G
And the only voice I hear is a prayer for release
Am F
And I won't live in this sorrow
Dm
With no reason to get by
F G
When divided from your light
Am F
No I won't live, I'll stay hollow
Dm
Without chance to reunite
F G
While I'm driven to the night
(Dm Em Am Dm)
(Am Dm Em Am)
(Am)
Dm
You were pushed into a sidetrack
Am Dm
Never to remain
Am Em G Fm
You had every intention to leave with grace
Dm Am Dm Am Dm
When you're lying on your bed and descending into doubt
Am Dm Am
I just hope your light will still keep me warm
