

Soen - River

tom:

A

As i'm walking alone

I remember the times

When we played here

Leaving a broken home

Making sure we were whole

And together

Every failure we shared

Every night that we were forsaken

I would dream of a life

Far away from it all but you

All these words that i left unspoken

I will say when i meet you again

I see you but i can't

Feel your presence

I feel you but you're fading away

Time is wise and our wounds

Seem to heal to the rhythm of aging

Gbm Dadd9 Gbm

But our past is a ghost

Fading out that at night it's still haunting

We are growing apart

Still i know that inside you're aching

But the scars that we share

Will remind us of who we are
