

# Sofia Carson - Grey Area (feat. Grey)

tom:

Ooh oh, oh oh, oh  
Ooh oh, oh oh, oh oh

[Primeira Parte]

Feels like you're always moving  
Feels like I always suck  
But you see me as a girlfriend  
Just somebody that you're  
Messing up, I don't need this  
But you've got a golden touch  
That's why I'm always coming  
Scared that I'll say too much

[Pré-Refrão]

If I tell you what I want  
What I really, really want from you  
Would you give me what I want?  
What I really, really want from you  
If I tell you what I want  
What I really, really want from you  
Would you give me what I want?  
What I really, really want

[Refrão]

'Cause you know what it is  
I wanna call it  
I'm leaving here in love  
Or brokenhearted  
So, baby, come on let's just finish  
What you started  
I can't, I can't stay with you  
In this grey area

[Segunda Parte]

I stare at your bedroom ceiling  
I really hate these sheets  
Said we could roll between 'em  
Said that it won't mean, uh  
Anything, I was lying  
Didn't know it at the time  
Now we're forever talking  
To ask if it's yours or mine

[Pré-Refrão]

If I tell you what I want  
What I really, really want from you  
Would you give me what I want?  
What I really, really want from you  
If I tell you what I want  
What I really, really want from you  
Would you give me what I want?  
What I really, really want

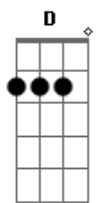

[Refrão]

'Cause you know what it is  
I wanna call it  
I'm leaving here in love  
Or brokenhearted  
So, baby, come on let's just finish  
What you started  
I can't, I can't stay with you  
In this grey area

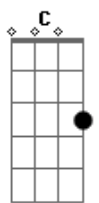

[Terceira Parte]

You know what it is but you won't say it  
You don't feel my touch unless it's naked  
So, baby, come on let's just finish what you started  
I can't, I can't stay with you in this grey area  
Ooh oh, oh oh, oh  
Ooh oh, oh oh, oh oh
