Intro: Dm  C  F  Bb

Dm                    C          F
  I told you I?d never give up
       F          Bb
I don?t know if I knew
          Bb            Bb
What a few words could do
Dm                C         F
  I bought into the dream of us
       F          Bb
Yeah, I believed in it too
     Bb                Bb
So I looked straight?at?you

     Dm                       C       F
And?i promised I?would love you ??til the
     F Bb                 Bb
The day I die, but I?m still alive
Dm                 C        F
Swore that if I ever lost you
          F   Bb              Bb
I would sit and cry, but my eyes are dry

                      Dm
So I guess I?m a liar now
        F
?Cause you ain?t out here tonight
         Bb
And I never had such a good time (Ooh)
                 Dm
I guess I?m a liar now
        F
?Cause I?m lovin? myself real good
        Bb
In a way that you never could (Ooh)
Bb
I guess I?m a liar

Dm                  C      F
  You were the best I ever had
     F            Bb
I said it loud, said it clear
            Bb
What you wanted to hear
Dm               C        F
  Maybe I trusted you too much
     F          Bb
?Cause every time I see
            Bb
Just you and I wanna see

     Dm                    C      F
