

Sofia Carson - Guns & Roses

Tom: Eb

m [Intro] Ebm Abm Gb Db

It's beautiful every time

But we're killing ourselves

While we're thrilling ourselves

Hate when you make me cry

I'm a rose in the crack fading

Under your spell

(Yeah, yeah)

When I'm feeling you around me

I just want

I just want you now

We've been going at it forever

No one ever surrenders

We're just like, we're just like

Guns & roses

Our loves are better

And everyone knows it

You take me right to the edge

In my head he's a beautiful mess

We can hurt but it's worse when we live without it

We're like

Guns & roses

(Oh oh oh)

Guns & roses

(Oh oh oh)

I know that it's not right

But I'm scared if we change that it

Won't feel the same

Like I'm broken, falling in your side

But you're into the pain

And we can't walk away now

(Yeah, yeah)

When I'm feeling you around me

I just want

Acordes

I just want you now

We've been going at it forever

No one ever surrenders

We're just like, we're just like

Guns & roses

Our loves are better

And everyone knows it

You take me right to the edge

In my head he's a beautiful mess

We can hurt but it's worse when we live without it

Guns & roses

(Oh oh oh)

Guns & roses

(Oh oh oh)

Look from all the playback

Lying when you say that

Love will never do you no harm

Dangerous together

Please don't make me wait long

I just wanna lay in your arms

And everyone knows it

In my head he's a beautiful mess

We can hurt but it's worse when we live without it

We're like

Guns & roses

(Our loves our better)

And everyone knows it

(You take me right to the edge)

In my head he's a beautiful mess

(We can hurt but it's worse)

When you live without it

We're like

Guns & roses

(Oh oh oh)

Guns & roses

(Oh oh oh)
