

# Sofia Carson - I Didn't Know

tom:  
Capostrate na 2ª casa

**Em** **D**  
I was fine before you walked right through that door  
**C7M**  
And now I'm something more than I ever imagined  
**Em** **D**  
I was so sure I knew exactly who you were  
**C7M**  
But you were something more than I ever imagined

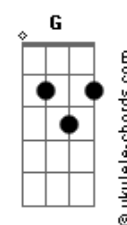

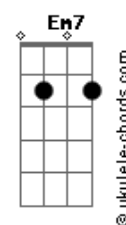

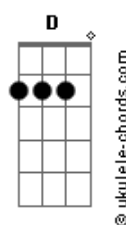

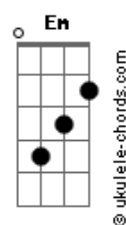

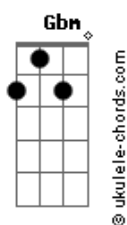

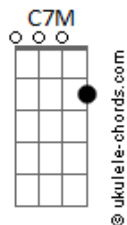

**Em**  
In your arms, I'm safe and sound  
**D**  
You turn my world right upside down  
**C7M**  
But all the hell we've been through had a purpose

Together we are chaos and it's perfect  
**Em** **D**  
Always thought those feelings, they were stories not made for me  
**C7M**  
It's terrifying, but I'm pretty certain  
It's worth it

**Em7**  
I didn't, I didn't know  
**D**  
What love could, what love could be  
**C2**  
Until you, until you loved my everything  
**C2**  
The good, the bad, the in-between  
**Em7**  
I didn't know  
**D**  
You were something I could need  
**C2**  
Until you, until you loved my everything  
**C2**  
The good, the bad, the in-between, all of me

**Em** **D**  
I was fine before you kissed me on the forehead  
**C7M**  
Held me 'til the morning, never imagined

For the rest of my life

Until the end of time
