 You the type of guy to write a song about
You're laid back, nobody know what's on your mind
We been talking for a while now
(We been talking for a while now)
And I've been falling for a while now
You say that everything with you is fine
Even though we're always hanging out
I get the feeling that you're not around, yeah
We were always up to something
Now you're all in your head
I love you
      Αm
But I wish it wasn't true
'Cause I know you think of her
  Em
When I'm lying next to you
     G
I love you
      Am
And I don't know what to do
'Cause you can't get over her
And I can't get over you
( F G Am G )
( F G Em )
 You the type of guy to tell your mom about
                Am
