

# Sofia Carson - Joke's On Me

tom:  
Intro: **Abm Db Gb**

Ready

[Primeira Parte]

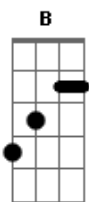

The joke's on me  
You read me lines I believed foolishly  
Is it funny now? Because the joke's on me  
You played your part perfectly mentally  
Just a pretty dream, a make-believe, and I  
I believed and I

[Refrão]

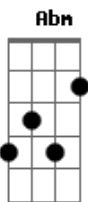

Take, take every kiss  
Take the excuse as you pressed on my lips  
Take, take every word  
Take every memory, take what you hurt  
Take a bow to the crowd  
The joke's on me

[Segunda Parte]

And did you know  
When you looked at me the way you did before  
Did you know that you were full of shiny tricks?  
Promises never kept, illusionist  
Did you know it then 'cause I believed and I  
I believed and I

[Refrão]

Take, take every kiss  
Take the excuse as you pressed on my lips  
Take, take every word  
Take every memory, take what you hurt  
Take a bow to the crowd  
The joke's on me  
Take a bow to the crowd  
The joke's on me

[Ponte]

Take a bow, you must be proud  
The joke's on me
