

Sofia Carson - LOUD

tom:

Gbm

Gbm **E**

Confrontation never has been my strength

Bm

Always feel like I should take all the blame

But something is changing

D

And I can't contain it no more, yeah

Gbm **E**

All the speeches that I made in my head

Bm

All the no's and all that I should have said

Like waves in this water

D

When rising, I'm stronger, come on

Gbm

If I was a man

E

Then you would understand

Bm **D**

You wouldn't say I'm causing all this drama

Gbm

Are you getting uncomfortable now?

E

I'm a little too loud for you now?

Bm

Don't try to calm me down

D

I was made to be loud

Gbm

Goodbye, you're livin' a lie

E

'Cause that don't mean that we're alive

Bm

Don't try to calm me down

D **Gbm**

I was made to be loud, yeah

E

I don't care if you don't like what you see

Bm

I'm not pleasing you 'cause I'm pleasing me

Not wasting more time

D

I'ma speak up my mind when I want

Gbm

If I was a man (man)

Then you would understand ('stand)
