

Sofia Carson - Love Is The Name

Tom: C

We're gonna burn it up like rock-stars
Go Nirvana in here
We're gonna set it off
Tick tock
Life is a video game
And we could be in love
Or not life
See, I really don't care
I just wanna be right here
I just wanna be right here
Ah
We can rule the oceans
We can rule the world
We'd be the commotion, baby
So, we'll never regret that
Life is gonna be what we be
So, we'll turn the music up tonight
Let the beat set you free
Give everything you got, and
Dance all your worries away
Forget yesterday
This life is a game
And love is the name
Na na na na na
Oh, and love is the name
Na na na na na
I love the way your skin feels on mine
Yeah, I'm digging your style
The way you let me in on
Secrets that are already mine
And we could be in love
Or not now
See, I really don't care
I just wanna be right here
I just wanna be right here

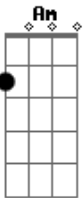

Ah

We could rule the oceans
We could rule the world
We'd be the commotion, baby
So we'll never regret that
Life is gonna be what we be
So we'll turn the music up tonight
Let the beat set you free
Give everything you got, and
Dance all your worries away
Forget yesterday
This life is a game
And love is the name
Na na na na na
Oh, and love is the name
Na na na na na
This life is a game
Na na na na na
And love is the name
Na na na na na
So we'll never regret that
Life is gonna be what we be
Oh, So we'll turn the music up tonight
Let the beat set you free
Give everything you got, and
Dance all your worries away
Oh, forget yesterday
This life is a game
And love is the name
Na na na na na
Oh, and love is the name
Na na na na na
And life is a game
Na na na na na
And love is the name
Na na na na na
And love is the name
