

S.O.J.A. (Soldiers of Jah Army) - By My Side

Tom: Bb

Gm F Bb Cm
 I act like I left her, but I really beg her to stay.
 And the more that I press her is the more she slips away.
 Act like I don't need her but...Yo, you're necessary...
 Like ten days from now I won't see your face when I sleep.

Gm F Bb Cm
 Act like I can hear, but Jah knows I'm deaf.
 Act like I can see but now, yo, from me sight has left.
 Act like I don't know but, I know these things...
 Act like I don't feel it but I'm gonna feel it, every morning now on

Chorus (one measure or four reggae skanks per chord):

Gm Bb
 Each morning, on each night
 Cm F
 when I need you by my side
 on each morning and on each night
 when I need you

Like I don't care but each and every time your face comes across it never ever leaves my mind.

Oh, like I don't know but...I know your thing like I don't feel it, but I'm gonna feel it every evening now on -

Each morning, on each night when I need you by my side on each morning and on each night when I need you

N.C. (maybe an Bb to Cm if anything)
 I act like I left her, but the truth is I beg her, beg her to stay...

Gm F Bb Cm
 And the more that I press her, means all the more that she slips away.
 Act like I don't need her, but I'm here to tell you that you're necessary.
 Like ten days from now I won't see your face when I'm on -

Each morning, on each night when I need you by my side on each morning and on each night when I need you by my side.

- On each morning and on each night when I need you so desperately.
