G Am G Dm C

When I look to see the sun, I can feel positive and negative at once

Cuz it could be a brand new day or the same old one

Am G Dm C Dm So I wait just to see exactly what kind of day its gonna be

C G I can feel that either way I, I guess I got lucky

Am G Dm C Dm C G Cuz I could be gone today, tomorrow could be close or it could be so far away

Am G Dm C Dm C G And I guess what im trying to say, no matter how it goes down now I feel so happy

Am G Dm C Dm C G When I look the see the moon, I can feel those before me who've all done it too

C G I can see through all me troubles and somehow they got thru Am G Dm C

Dm Cuz were all family even if we don't act like it or just don't see

C G I guess Im thankful for who you think we could be

Am G Dm C Dm C G Cuz I could be gone today, tomorrow could be close or it could be so far away

Am G Dm C Dm C G Well I guess what im trying to say, no matter how it goes down now I feel so happy

Base do solo (2x): Am G Dm C Dm C G

Solo:

Am G Dm C Dm C G There could maybe be something else, else Dm C Not something you see or touch but something that you felt Am G Dm C And there could maybe be a road, a road Dm C Like underground sin, it stays in the corners of my soul

Am G Dm C Dm C G And I could be gone today, tomorrow could be close or it could be so far away

Am G Dm C Dm C G And well I guess what im trying to say, no matter how it goes down now I feel so happy

Am G Dm C Dm C G Cuz' I could be gone today, tomorrow could be close or it could be so far away

Am G Dm C Dm C G And I guess what im trying to say, if you can hear me now just know I'm so, so lucky...
