They say "way back when knew how", but  
D  
there's nothing telling you now just to  
A  
do your right and not your wrong, when  
Db7  
wrong is easy, and right is hard, and

Gbm  
We've all got our weaknesses  
D  
and only you know what yours is, but  
A  
your "tomorrows" are all that seems to  
Db7  
escape from your lips...

Gbm D  
But I don't wanna wait... today  
A E  
for something that might never ever show its face... I can't  
A E Gbm D  
I promise that I've heard to much already yeah... to me  
A E Gbm D

Gbm  
Moving forward to right now  
D  
a government that let you down  
A  
a racist leader no one trusted and  
Db7  
an army that's bigger than us and

Gbm  
a poverty on a global scale  
D  
A fragile world with fragile air and  
A  
fragile water I'm sure they'll put  
Db7  
off till tomorrow...

Gbm D  
But I don't wanna wait... today  
A E Gbm D  
for something that might never ever show its face... I can't  
A E Gbm D

Gbm D A E  
I just can't wait...wait...I just can't

Gbm  
I'm skipping forward to the ending, to that  
D  
point or two impeding to that  
A  
moment that all that stops that  
E  
one day when that bottom drops

Gbm  
And we remember our voices  
D  
had a chance yea we had our choice but  
A  
time is a luxury we as a people we  
E  
might no longer afford

Gbm D  
But I don't wanna wait... today  
A E Gbm D

Gbm D A E  
I don't wanna wait... you know Ive got a lot on my mind so  
Gbm D A E  
I don't wanna wait... have to reach the end of the line so  
Gbm D A E  
I don't wanna wait... no im not fine

Gbm D A E  
Don't wanna wait, don't wanna wait, don't wanna wait, don't  
wanna... it's not for me, not for me, it's not for me no
