Bb Dm Bb Dm
I know you feel like...you're...you're all alone

Bb Dm C
And all you can depend on now
Is your flesh and your bones

Bb Dm
So look around now

Bb Dm
And let it talk to you...yeah

Bb Dm C
And when those colors run together
Remember, that jah is listening now.

Bb Dm C
When you wake, he's listening now

Bb Dm
When you sleep, he's listening now

Bb Dm C
When you're smiling, he's listening now

Bb Dm
When you weep, he's listening now

Bb Dm C
If you don't, he's listening now

Bb Dm
And if you need, he's listening now

Bb Dm C
When you talk, he's listening now

Bb Dm
When you don't speak...in

Bb Dm
I know you think that you know

Bb Dm
Real and fake

Bb Dm C
Well sometimes reality is

Truly just what we made

Bb Dm Bb Dm
I know you feel like you're in total control
Bb Dm C
But when things spin out of your hands
You should know, you should know, you should know

Bb Dm C
That we all fall down

Bb Dm C
And we will one day

Bb Dm C
We all land here

Bb Dm C
We all drift away

Bb Dm C
We all stand on this earth

Bb Dm C
The same ground

Bb Dm C
We're all so lost, but i've found
jah is listening now

Bb Dm C
When you wake, he's listening now

Bb Dm C
When you sleep, he's listening now

Bb Dm C
When you're smiling, he's listening now

Bb Dm C
When you weep, he's listening now

Bb Dm C
When you don't, he's listening now

Bb Dm C
When you need, he's listening now

Bb Dm C
When you talk, he's listening now

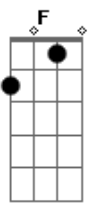

Bb Dm C
When you don't speak, he's listening now

Bb Dm C
He's listening now

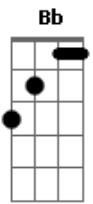

Bb Dm C
He's listening now

Bb Dm C
He's listening now, now, now
