

# S.O.J.A. (Soldiers of Jah Army) - Losing My Mind

Tom: C

Am G  
There's no pictures on the wall  
F  
There's no rise and there's  
Am  
No fall, and in the morning,  
G F  
I'm all right, alone without you.  
Am G  
There's no phones and there's no calls  
F  
There's no talking to you at all  
Am  
And i don't care,  
G F  
Late at night when it's not you  
Am G F  
But when i look out in the rain  
Am  
I think about the past  
G F  
I want it again  
Am G  
I think about the way you feel  
F Am  
Inside, i start losing my mind  
G F  
I'm losing my mind

Am G  
There's not formulates plans  
F  
There's no way and there's no chance  
Am  
It's been too long-  
G F  
And it's all back behind me  
Am G  
There's no going down that road  
F  
And i know right where it goes  
Am G

If i keep walking away,  
F  
Nothing reminds me

Am G F  
But when i look out in the rain  
Am  
I think about the past  
G F  
I want it again  
Am G  
I think about the way you feel  
F Am  
Inside, i start losing my mind  
G F  
I'm losing my mind

Am G  
There's no fights and there's no tears  
F  
There's no need if you're not here  
Am G F  
And i'm not tha same anyway, anymore  
Am G  
There's no need to write this song  
F  
'cause there's no changing what's been done,  
Am G  
And there's no changing what's inside  
F  
And it looks like it's gonna storm.

Am G F  
But when i look out in the rain  
Am  
I think about the past  
G F  
I want it again  
Am G  
I think about the way you feel  
F Am  
Inside, i start losing my mind  
G F  
I'm losing my mind
