

S.O.J.A. (Soldiers of Jah Army) - Losing My Mind

Tom: C

^{Am} There's no ^G pictures on the wall
^F There's no rise and there's
^{Am} No fall, and in the morning,
^G I'm all right, ^F alone without you.
^{Am} There's no phones and there's no ^G calls
^F There's no talking to you at all
^{Am} And i don't care,
^G Late at night when it's not you
^{Am} But when i look out in the ^G rain
^F I think about the ^{Am} past
^G I want it again
^{Am} I think about the way you ^G feel
^F Inside, i start losing my ^{Am} mind
^G I'm losing my ^F mind
^{Am} There's not ^G formulates plans
^F There's no way and there's no chance
^{Am} It's been too long-
^G And it's all back behind ^F me
^{Am} There's no going down that ^G road
^F And i know right where it goes
^{Am} ^G

If i keep walking away,
^F Nothing reminds me
^{Am} But when i look out in the ^G rain
^F I think about the ^{Am} past
^G I want it again
^{Am} I think about the way you ^G feel
^F Inside, i start losing my ^{Am} mind
^G I'm losing my ^F mind
^{Am} There's no fights and there's no ^G tears
^F There's no need if you're not here
^{Am} And i'm not tha same anyway, ^G anymore
^F There's no need to write this song
^{Am} 'cause there's no changing what's been done,
^G And there's no changing what's inside
^F And it looks like it's gonna storm.
^{Am} But when i look out in the ^G rain
^F I think about the ^{Am} past
^G I want it again
^{Am} I think about the way you ^G feel
^F Inside, i start losing my ^{Am} mind
^G I'm losing my ^F mind
