

# S.O.J.A. (Soldiers of Jah Army) - Lucid Dreams

Tom: Db

Db Ab Gb  
Every time I close my eyes  
Bbm Ab  
I find myself in the corners of my mind  
Db Ab Gb  
And I'm in there, yeah, some- where  
Bbm Ab  
Under the covers I can feel it it's pulling me  
Db Ab Gb  
No one can know where my mind goes  
Bbm Ab  
My dreams, more real than my reality  
Db Ab Gb  
And the memory inside of me  
Bbm Ab  
Will it be with me forever until infinity

Gb Ab  
Waiting for my conscience calling  
Bbm Db  
Listening to hear me talking  
Gb Ab  
Slowing down the rate of motion  
Bbm Db  
Focusing inside an ocean  
Gb Ab  
Catching myself falling over  
Bbm Db  
Looking back and seeing no one  
Gb Ab Db  
Walking through this lucid dream again

Db Ab  
I never thought it would come to this  
Gb Bbm Ab  
How did I get here and what did I miss  
Db Ab Gb Bbm  
I've been trying to find the righteous man's road  
Db Ab  
I want to remember the womb of my mother  
Gb Bbm Ab  
Want to understand all the love of my father  
Db Ab Gb  
I'm so close I can feel it in my bones  
Bbm  
My bones

Gb Ab  
Waiting for my conscience calling  
Bbm Db  
Listening to hear me talking  
Gb Ab  
Slowing down the rate of motion  
Bbm Db  
Focusing inside an ocean  
Gb Ab  
Catching myself falling over  
Bbm Db  
Looking back and seeing no one  
Gb Ab Db  
Walking through this lucid dream again

Db Ab  
Now every day is only  
Gb Bbm  
Counting the seconds and minutes  
Ab Db  
That separate me from  
Ab  
Who I am I really am  
Gb Bbm Ab  
In this body temporarily on my journey  
Db Ab  
Going going gone and I can feel it  
Gb Bbm Ab  
Like a wrecking ball crashing through me  
Db Ab  
And I don't make one sound when I can hear it  
Gb Bbm Ab  
As the memories prove I've been here

Gb Ab  
Waiting for my conscience calling  
Bbm Db  
Listening to hear me talking  
Gb Ab  
Slowing down the rate of motion  
Bbm Db  
Focusing inside an ocean  
Gb Ab  
Catching myself falling over  
Bbm Db  
Looking back and seeing no one  
Gb Ab Db  
Walking through this lucid dream again

Db Ab Gb  
Oh, that perfect peace is within my reach  
Bbm Ab  
It's a humbling process  
Db Ab Gb  
Somewhere within me is integrity  
Bbm Ab  
Could be a medicine  
Db Ab  
Play the music open up my heart  
Gb Bbm Ab  
And a good way to healing realizing it starts with  
Db Ab Gb  
Finding all my answers within me  
Bbm Ab  
Within me

Gb Ab  
Waiting for my conscience calling  
Bbm Db  
Listening to hear me talking  
Gb Ab  
Slowing down the rate of motion  
Bbm Db  
Focusing inside an ocean  
Gb Ab  
Catching myself falling over  
Bbm Db  
Looking back and seeing no one  
Gb Ab Db  
Walking through this lucid dream again
