

# S.O.J.A. (Soldiers of Jah Army) - Lucid Dreams

Tom: Db

Db Ab Gb  
 Every time I close my eyes  
 I find myself in the corners of my mind  
 Db Ab Gb  
 And I'm in there, yeah, some- where  
 Bbm Ab  
 Under the covers I can feel it it's pulling me  
 Db Ab Gb  
 No one can know where my mind goes  
 Bbm Ab  
 My dreams, more real than my reality  
 Db Ab Gb  
 And the memory inside of me  
 Bbm Ab  
 Will it be with me forever until infinity

Gb Ab  
 Waiting for my conscience calling  
 Bbm Db  
 Listening to hear me talking  
 Gb Ab  
 Slowing down the rate of motion  
 Bbm Db  
 Focusing inside an ocean  
 Gb Ab  
 Catching myself falling over  
 Bbm Db  
 Looking back and seeing no one  
 Gb Ab Db  
 Walking through this lucid dream again

Db Ab  
 I never thought it would come to this  
 Gb Bbm Ab  
 How did I get here and what did I miss  
 Db Ab Gb Bbm  
 I've been trying to find the righteous man's road  
 Db Ab  
 I want to remember the womb of my mother  
 Gb Bbm Ab  
 Want to understand all the love of my father  
 Db Ab Gb  
 I'm so close I can feel it in my bones  
 Bbm  
 My bones

Gb Ab  
 Waiting for my conscience calling  
 Bbm Db  
 Listening to hear me talking  
 Gb Ab  
 Slowing down the rate of motion  
 Bbm Db  
 Focusing inside an ocean  
 Gb Ab  
 Catching myself falling over  
 Bbm Db  
 Looking back and seeing no one  
 Gb Ab Db  
 Walking through this lucid dream again

Db Ab  
 Now every day is only  
 Gb Bbm  
 Counting the seconds and minutes  
 Ab Db  
 That separate me from  
 Ab  
 Who I am I really am  
 Gb Bbm Ab  
 In this body temporarily on my journey  
 Db Ab  
 Going going gone and I can feel it  
 Gb Bbm Ab  
 Like a wrecking ball crashing through me  
 Db Ab  
 And I don't make one sound when I can hear it  
 Gb Bbm Ab  
 As the memories prove I've been here

Gb Ab  
 Waiting for my conscience calling  
 Bbm Db  
 Listening to hear me talking  
 Gb Ab  
 Slowing down the rate of motion  
 Bbm Db  
 Focusing inside an ocean  
 Gb Ab  
 Catching myself falling over  
 Bbm Db  
 Looking back and seeing no one  
 Gb Ab Db  
 Walking through this lucid dream again

Db Ab Gb  
 Oh, that perfect peace is within my reach  
 Bbm Ab  
 It's a humbling process  
 Db Ab Gb  
 Somewhere within me is integrity  
 Bbm Ab  
 Could be a medicine  
 Db Ab  
 Play the music open up my heart  
 Gb Bbm Ab  
 And a good way to healing realizing it starts with  
 Db Ab Gb  
 Finding all my answers within me  
 Bbm Ab  
 Within me

Gb Ab  
 Waiting for my conscience calling  
 Bbm Db  
 Listening to hear me talking  
 Gb Ab  
 Slowing down the rate of motion  
 Bbm Db  
 Focusing inside an ocean  
 Gb Ab  
 Catching myself falling over  
 Bbm Db  
 Looking back and seeing no one  
 Gb Ab Db  
 Walking through this lucid dream again
