

S.O.J.A. (Soldiers of Jah Army) - Lucid Dreams

Tom: Db

Db Ab Gb
Every time I close my eyes

Bbm Ab
I find myself in the corners of my mind

Db Ab Gb
And I'm in there, yeah, some- where

Bbm Ab
Under the covers I can feel it it's pulling me

Db Ab Gb
No one can know where my mind goes

Bbm Ab
My dreams, more real than my reality

Db Ab Gb
And the memory inside of me

Bbm Ab
Will it be with me forever until infinity

Gb Ab
Waiting for my conscience calling

Bbm Db
Listening to hear me talking

Gb Ab
Slowing down the rate of motion

Bbm Db
Focusing inside an ocean

Gb Ab
Catching myself falling over

Bbm Db
Looking back and seeing no one

Gb Ab Db
Walking through this lucid dream again

Db Ab
I never thought it would come to this

Gb Bbm Ab
How did I get here and what did I miss

Db Ab Gb Bbm
I've been trying to find the righteous man's road

Db Ab
I want to remember the womb of my mother

Gb Bbm Ab
Want to understand all the love of my father

Db Ab Gb
I'm so close I can feel it in my bones

Bbm
My bones

Gb Ab
Waiting for my conscience calling

Bbm Db
Listening to hear me talking

Gb Ab
Slowing down the rate of motion

Bbm Db
Focusing inside an ocean

Gb Ab
Catching myself falling over

Bbm Db
Looking back and seeing no one

Gb Ab Db
Walking through this lucid dream again

Db Ab Gb
Oh, that perfect peace is within my reach

Bbm Ab
It's a humbling process

Db Ab Gb
Somewhere within me is integrity

Bbm Ab
Could be a medicine

Db Ab
Play the music open up my heart

Gb Bbm Ab
And a good way to healing realizing it starts with

Db Ab Gb
Finding all my answers within me

Bbm Ab
Within me

Gb Ab
Waiting for my conscience calling

Bbm Db
Listening to hear me talking

Gb Ab
Slowing down the rate of motion

Bbm Db
Focusing inside an ocean

Gb Ab
Catching myself falling over

Bbm Db
Looking back and seeing no one

Gb Ab Db
Walking through this lucid dream again
