

S.O.J.A. (Soldiers of Jah Army) - Moving Stones

Tom: F

Intro: Dm F Gm Dm C

Dm F
You say theres gotta be a better way for you
But see you're staying in the same old groove
Ignoring the fight and blind to the light
You're hoping and praying but never making that move

F
The earth's just moving in the way it does
Spinning in the space waiting for your want
Do you really need it what you really needed

C
Slipping from your touch

Dm
You could do it right now

Let a little light out
F
We're moving stones
Gm
Looking for the inside remembering the real life
Dm C
We covered up
We covered up

Dm F
Can you put it down never pick it back up
Hate it so much that you give it all up
Finding that center do you remember
C Dm
When you were a kid all you need was love
F
I guess that kid will never be back again
Gm
Looking around at ever one of your friends
Dm
Some are doing worse so you are feeling better
C
Never getting up

Dm
You could do it right now

Let a little light out
F
We're moving stones

Gm
Looking for the inside remembering the real life
Dm C
We covered up

We covered up

Dm F
There's a little secret in every one

Gm
We say only if we knew what it was
Dm
Then we do nothing calling it something
C Dm
Suffering alone if so much fun

F
Listening to voices hearing it loud
Gm
Only real point is to drown it out
Dm
Do you really want it what you really wanted
C
Start right now

Dm
You could do it right now

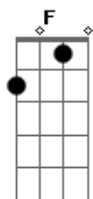

Let a little light out
F
We're moving stones
