Intro: 2x: **Bm G D A**

**Bm** **G**  
It's hard for me when I think about the things that never been  
**D** **A**  
They keep coming back again like they got something to prove  
**Bm** **G**  
I love my memories, but they are awake, controlling me at  
times  
**D** **A**  
And I'm so lost without you, yeah, yeah  
(riff refrão)

**G** **Bm**  
And I can't get far from it, and from what went wrong  
**A** **Bm**  
And I know it's stupid cause its been so long  
**G** **Bm**  
The farther I get away, the more that I hold on  
**A** **Db7**  
It's just this feeling I get, it's like I'm not done yet  
I'm not done yet  
( **Bm G D A** ) (2x)

**Bm** **G**  
I think about those times when we were young,

**D**  
And everything was so brand new  
**A**  
And our words were so true you  
**Bm** **G**  
Looked into my eyes, that one last time  
**D** **A**  
If I had known back then, would I be living with today?  
You might have stayed, but...

**G** **Bm**  
I can't get far from it, and from what went wrong  
**A** **Bm**  
And I know it's stupid cause it's been so long  
**G** **Bm**  
The farther I get away, the more that I hold on  
**A** **Db7**  
It's like I try to forget, somehow I'm not done yet  
I'm not done yet  
( **Bm G D A** ) (2x)

**Bm** **G**  
It's hard for me when I think about the things that never been  
**D** **A**
