

S.O.J.A. (Soldiers of Jah Army) - No Done Yet

Tom: D
Intro: 2x: Bm G D A

It's hard for me when I think about the things that never been
They keep coming back again like they got something to prove
I love my memories, but they are awake, controlling me at times
And I'm so lost without you, yeah, yeah
(riff refrão)

And I can't get far from it, and from what went wrong
And I know it's stupid cause its been so long
The farther I get away, the more that I hold on
It's just this feeling I get, it's like I'm not done yet
I'm not done yet
(Bm G D A) (2x)

I think about those times when we were young,

And everything was so brand new
And our words were so true you
Looked into my eyes, that one last time
If I had known back then, would I be living with today?
You might have stayed, but...

I can't get far from it, and from what went wrong
And I know it's stupid cause it's been so long
The farther I get away, the more that I hold on
It's like I try to forget, somehow I'm not done yet
I'm not done yet

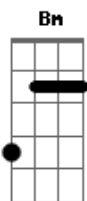

(Bm G D A) (2x)

It's hard for me when I think about the things that never been
They keep coming back again like they got something to prove
It's like I'm not done yet
I'm not done yet...
(Bm G D A)
