

S.O.J.A. (Soldiers of Jah Army) - Peace In a Time Of War

They say that Bush could be my president
 But really ini don't care
 They say cheney makes my decisions
 But he don't, so I'm just not there
 And I'm gonna see the same lies
 Coming in the next 4 years
 So pardon me if I don't cry when
 Your election goes the way it did
 I need some peace in a time of war
 Some peace in a time of political war
 They say that we elect our leaders
 To lead forward and make decision

But I never heard their policy on war
 Discussed during an election
 And it seem that war is something over which
 People have no prevention
 But the people want it anyway and
 So they elect some destruction

I need some peace in a time of war
 Some peace in a time of political war

Haile I selassie I, Jah, hey
 Rastafari, hey
 Only truth 'round here over creation
 Haile I selassie I
 Haile I selassie I, Jah, oh, yeah
 Rastafari, hey
 Only truth 'round here over creation

Land of the free, and
 Foreign bullets never touch our pavement
 It seem to me, people know not
 The extent of their involvement
 Things are not as they seem
 Underneath the beast is not clean
 But we support the leaders who use
 Media to make them seem so clean
