

# S.O.J.A. (Soldiers of Jah Army) - Rest Of My Life

Tom: Bb

(intro 4x)

If I could spend the rest of my life with my people  
I would do it over and over again  
Leave it up to them to fill up their steeple  
Leave it up to us to fill up on our friends

If I could spend the rest of my life with my people  
I would do it over and over again  
I live in my mind that I know there's no equal  
When I'm falling out, yo they pull me back in

It was long ago  
And we were younger so  
And our lives we part wrote  
Feel it, feeling

Yeah

And I remember everyday  
Sometimes it's too much to take  
I break down, without heartache  
And I mean it, and I mean it

If I could spend the rest of my life with my people  
I would do it over and over again  
Leave it up to them to fill up their steeple  
Leave it up to us to fill up on our friends

If I could spend the rest of my life with my people  
I would do it over and over again  
I live in my mind that I know there's no equal  
When I'm falling out, yo they pull me back in

They say we've had fun but let this go

Music don't go deep but no  
We think we could help this world if only we try

But we grow up  
At least that's what they say  
We can't do this when we pray  
But I tell myself every day that none of that applies  
If I could spend the rest of my life with my people  
I would do it over and over again  
Leave it up to them to fill up their steeple  
Leave it up to us to fill up on our friends

If I could spend the rest of my life with my people  
I would do it over and over again  
I live in my mind that I know there's no equal  
When I'm falling out, yo they pull me back in

(intro 4x)

All I really need  
It's all I have ever seen  
Only thing works for me  
Is to feel it, feeling  
And when we turn to leave  
And others turn to be  
its always on my sleeve  
And I mean it, And I mean it

If I could spend the rest of my life with my people  
I would do it over and over again  
Leave it up to them to fill up their steeple  
Leave it up to us to fill up on our friends

If I could spend the rest of my life with my people  
I would do it over and over again  
I live in my mind that I know there's no equal  
When I'm falling out, yo they pull me back in
