

S.O.J.A. (Soldiers of Jah Army) - She Still Loves Me

Tom: **A**
Intro: **A D Gbm E**

Refrão:

I know it's hard now for you to see **A D**

You can't change how it was or how **Gbm E**

It's gonna be.

I'm what she wants You're **A**

just what she needs? **D**

And if she still loves me **Gbm E**

She still loves me.

Where is her sweater? **Gbm E**

Is not in her car **Bm**

Is not at her friend's house **E**

Is not at the bar

I think you better, **Gbm E**

Think with the heart **Bm**

Take a look at yourself and see **E**

how lucky you really are.

I don't believe in luck after all **Gbm E**

Neither does she **Bm**

But you know that now **E**

You should forget her **Gbm E**

Cause I've got her heart **E**

She hates the way that I tear it apart **Bm E**

I know it's hard now for you to see **A D**

You can't change how it was or how **Gbm E**

It's gonna be.

I'm what she wants You're **A**

just what she needs **D**

oh well, she still loves me **Gbm E**

She still loves me.

What did she do today **Gbm E**

That took her so long?

Where is she been to, **Bm E**

Where is she gone?

What does she think about, **Gbm E**

When she sees the dawn? **Bm**

When you feel her thinking **E**

And rolling around **Gbm**

What does she talk about **E**

When her father calls? **Bm**

She says what you said, she tells her old man **E**

you're the one **Gbm**

What does she talk about when her mother calls? **E Bm**

You don't come up, **E**

You don't come up at all. **E**

Intro: **A D Gbm E**

What do we do when life take us so long? **Gbm E**

Why we waste so much time, you know, I'll never know. **Bm E**

Why do we stay here, why don't we go? **Gbm E**

Why does everybody think that they can do both? **Bm E**

I know it's hard now for you to see **A D**

You can't change how it was or how **Gbm E**

It's gonna be.

I'm what she wants You're **A**

just what she needs? **D**

and, she still loves me **Gbm E**

She still loves me.

I know it's hard now for you to see **A D**

Cause you can't change a thing about **Gbm E**

how it use to be

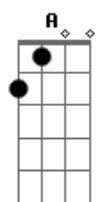

And I'm what she wants **A**

And you are just she needs **D**

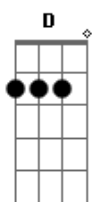

But she still loves me, she still loves me. **Gbm E**

She still loves me. **A**
