**Cm Ab Eb Eb**  
(So of course, you were supposed to call me tonight.)

**Cm Ab Eb Eb**  
You were supposed to call me tonight,  
We'd have gone to the cinema,  
And afterwards the restaurant,  
The one you like in your street,

(**Cm Ab Eb Eb** )  
We'd have slept together,  
Had a nice breakfast together,  
And a walk in the park together,  
How beautiful it'd been,

**Cm Ab Eb Eb**  
You would have said "I love you,"  
In the cutest place on earth,  
Where some lulubies are dancing with the fairies,  
**Cm Ab A Ab**  
I would have waited like a week or two,  
But you never tried to reach me, no,  
You never called me back,

**Cm Ab Eb Eb**  
You were dating that bleached blonde girl,  
And if I find her, I swear, I swear,

**Cm Ab Eb Eb**  
I'll kill her, I'll kill her,  
She stole my future, she broke my dream,  
**Cm Ab Eb Eb**  
I'll kill her, I'll kill her,  
She stole my future when she took you away,

**Cm Ab Eb Eb**  
I would have met your friends,  
We would have had a drink or two,  
They would have liked me cause  
Sometimes i'm funny,

**Cm Ab Eb Eb**  
I would have met your dad,  
I would have met your mum, she'd have said,  
"Please, can't you make some beautiful babies,"

**Cm Ab A Ab**

So we would have had a boy called Tom, and a girl called Susan,  
Born in Japan,

**Cm Ab Eb Eb**  
I thought it was a love story,  
But you don't want to get involved  
I thought it was a love story,  
But you're not ready for that,

**Cm Ab Eb Eb**  
Me neither. I'll kill her,  
She stole my future, she broke my dream,  
**Cm Ab Eb Eb**  
I'll kill her, I'll kill her,  
She stole my future when she took you away,

(**Cm Ab Eb Eb** )

**Cm Ab Eb Eb**  
She's a bitch you know, all she's got is blonderenness,  
Not even tenderness, yeah she's clever-less,

**Cm Ab Eb Eb**  
She'll dump your ass for a model called Brendan,  
He will pay for a beautiful surgery, because he's full of money,

**Cm Ab A Ab**  
I would have waited like a week or two,  
But you never tried to reach me, no, no,  
You never called me back,

**Cm Ab Eb Eb**  
You were dating that bleached blonde girl,  
And if I find her, I swear, I swear,

**Cm Ab Eb Eb**  
(x2) I'll kill her, I'll kill her,  
She stole my future, she broke my dream,  
**Cm Ab Eb Eb**  
I'll kill her, I'll kill her,  
She stole my future when she took you away,

(Versão YouTube: man I told you... you know, if I find her,i really , i'll kill her for real.  
I'll just find something, anything... a gun if I can.  
Anything.  
And I'm strong enough, so I'll do it. I'll kill her.)
