

Soko - I'll Kill Her

tom:
Intro: Am F C G

Am F C G
So of course, you were supposed to call me tonight

Am
You were supposed to call me tonight

F
We'd have gone to the cinema

C
And afterwards the restaurant

G
The one you like in your street

Am
We'd have slept together

F
Had a nice breakfast together

C
And then a walk in the park together

G
How beautiful it would have been

Am
You would have said: "I love you"

F
In the cutest place on earth

C
Where some little vines are dancing with the fairies

Am F
I would have waited like a week or two

C
But you never tried to reach me, no

G
You never called me back

Am F
You were dating that bleached blonde girl

C
If I find her, I swear...I swear

Am
I'll kill her

F
I'll kill her

C
She stole my future

G
She broke my dream

Am F
I'll kill her, I'll kill her

C
She stole my future when she took you away

Am
I would have met your friends

F
We would have had a drink or two

C
They would have liked me, cause

G
Sometimes I'm funny

Am
I would have met your dad

F
I would have met your mum, she'd have said

C
"Please, can't you make some beautiful babies"

An
So we would have had a boy called Tom

F.
And a girl called Susan, born in Japan

G
I thought it was a love story

Am
But you don't want to get involved

F
I thought it was a love story

C
But you're not ready for that

Am
Me neither

F
I'll kill her

C
She stole my future, she broke my dream

Am F
I'll kill her, I'll kill her

C
She stole my future when she took you away

Am
She's a bitch, you know

F
All she's got is bloneness

C
Not even tenderness, yeah

G
She's cleverless

Am
She'll dump your ass for a model called Brendan

C
He will pay for a beautiful surgery

G
'Cause he's full of money

Am F
I would have waited like a week or two

C
But you never tried to reach me, no

G
You never called me back

Am F
You were dating that bleached blonde girl

C
If I find her, I swear...I swear

Am
I'll kill her

F
I'll kill her

C
She stole my future

G
She broke my dream

Am F
I'll kill her, I'll kill her

C
She stole my future when she took you away

(Am F C G)
(Am F C G)

Am
Man, I told you

F
You know, if I find her

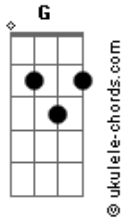

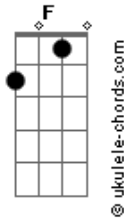

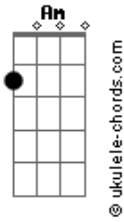

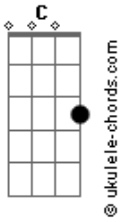

C
I, really

G
I mean, I'll kill her, for real

An
Thats for sure, you have to know

C
I mean, you know

G
I can do it
Acordes

Am
Man, I'll kill her!
