

Sol Entre Amigos - Eu e a Poeira

tom: F

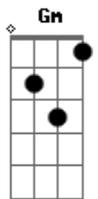

Outra vez na estrada, eu e o sol, vou em paz
 Hoje ou amanhã, talvez depois, tanto faz
 Pelo chão da serra eu vou, mais que devagar
 Vou seguindo sem ter pressa de chegar
 Céu de Santa Rita, São Tomé, Maringá

Águas da montanha, do Rio Preto, de Mauá
 Sou viajante lento e só das bandas do mar
 Vou seguindo sem ter pressa de chegar
 Eu nem sei o dia de partir ou de voltar
 Mantiqueira, serra e céu
 Um país longe do mar
 Eu e a poeira
