

Sol Entre Amigos - Polvo Gigante

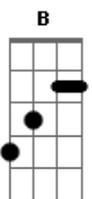

Tom: B

m

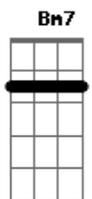

Numa aldeia em meio ao mar Bm7 E7
 O pôr do sol marcava o lugar
 Onde as águas proibiam
 Aos homens navegar
 Um polvo gigante era a cor
 De uma lenda de medo e dor
 E ninguém se aventurava

G Gb7 Bm7
 Na estrada do terror
E7 Bm7
 Mas um dia a aldeia parou
E7 Bm7
 Pra ver um estranho barco trilhar
D A
 Aquela estrada
E7 Gb7
 Reflexo do sol no mar
Bm7 E7
 E o que se seguiu foi o caos
Bm7 E7
 Tudo pareceu despencar
D A E
 E os homens nunca mais
D G Gb7 Bm7
 Tiveram a paz que o medo dá
