

Solani - Comunidade Católica Transfiguração - Oração da Manhã

Tom: D

Bom dia Espírito Santo de Deus

Hoje quero o dia Contigo passar

Vem guiar os passos meus

Para a face do Senhor eu contemplar

Com Tua alegria me contagia

Com Tua graça me abraça

Envolve o meu ser com Tua presença

Transforma meu viver, meu viver

[Solo]

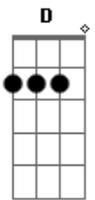

Com Tua alegria me contagia

Com Tua graça me abraça

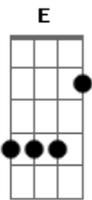

Envolve o meu ser com Tua presença

Transforma meu viver, meu viver
