

# Solomon Burke - Can't Nobody Love You

Tom: F

Can't nobody love you

Like I'm loving you, baby

Cause they don't know how

To love you like I do

Can't nobody love you

Like I'm loving you, baby

Cause they don't know how

To love you like I do

I'm gonna love you in the morning

Love you late at night

Girl, I ain't gonna stop loving

Til you tell me everything's alright

Can't nobody love you

Like I'm loving you right now

Cause they don't know how

To love you like I do And oh, oh

Can't nobody kiss you

Like I'm kissing you, little girl

Cause they don't know how

To kiss you like I do And Let me tell you

Can't nobody talk to you

Like I'm talking to you right now

Cause they don't know how

To talk like I do, now listen

Sam bought you cake and ice cream

And he called you cherry pie

Ray Charles called you his sunshine

But you the apple of my eye

And I ain't gonna let no nobody love you

Like I'm loving you right now

Cause they don't know how

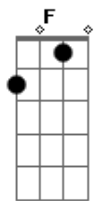

To love you like I do

No, they don't know how

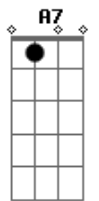

To love you

Like I do
