                tom:
                Am
        G           D           F          C
  I'll lay here while you stand clear
      D                F                 C
I'll destroy myself to stay close to you

(close to you)
G                D           F          C
  I'll hold my breath and count to ten
             D             F                  C
When you're out of my system, it's hard to breathe

(it's hard to breathe)

    Am                F           Dm
If your love was a pill, I'd overdose

(I'd overdose)
 F                 G                       Dm
Wrap me in your arms till my heartbeat slows
   Am                F                   Dm
If your love was a cig, I'd smoke my lungs

(I'd smoke my lungs)
       F                 G                       Dm
Every time I think I'm done, I need another one

(I need another one)

G              D           F       C
  Just let me go, I've lost control
           D            F                C
I've forgotten who I was before you came
G                 D       F         C
  I don't know how to function now
               D          F         C
That you're not around, not around

    Am                F           Dm
If your love was a pill, I'd overdose
 F                  G                       Dm
Wrap me in your arms till my heartbeat slows
   Am                F                   Dm
If your love was a cig, I'd smoke my lungs
       F                 G                       Dm
Every time I think I'm done, I need another one

F                  Fm                    C
  Where'd you go today? Don't you go away
                   E                     F
I need you, I need you, I need you, I need you
      Dm                                  G
Oh, I need you, but I cannot have you, I'm nothing

    Am                F           Dm
If your love was a pill, I'd overdose
 F                  G                       Dm
Wrap me in your arms till my heartbeat slows
   Am                F                   Dm
If your love was a cig, I'd smoke my lungs
       F                 G                       Dm
Every time I think I'm done, I need another one
