

sombr - my house is warm

tom:

Dm
F

I wanna call your phone with nothing in mind
Just to hear you breathe on the other line
I try to reach for you, but your skin's full of thorns
Oh, this town is cold, but my house is warm

Dm7 Bb C
How did it end like this?
F Gm7 Bb
I wanna talk to you, talk to you again
Dm7 Bb C
How did we get here so quick?
F
I watch you walk right past me
Gm7 Bb
Like we never did what we did

C F Bb
I can't right my wrongs, but I can write another song
C F Bb
I can't take you out, but we can get along
C Dm7 Bb
