

## SoMo - All The Time

tom:  
F  
You say you're guarded  
I hate these pardons  
B  
You don't know what that does to me  
F  
Think that you're hardened  
I left you heartless  
B  
Told you I'd be there then I just leave  
F  
I been living fantasies  
B  
Blurred out all the things that you like  
F  
Don't need the finer things  
B  
You don't want it all  
F  
Just wanna be my wife  
F  
Girl we made a baby, what'd you thank me for?  
B  
You gave me her life, gave me worlds, gave me hope  
F  
Gave me all I wanted, gave me love, gave me more  
B  
Love her all the time  
F  
Need you both or I'm broke  
F  
So, oh stay here right by my side  
B  
Love me all the time  
F  
Say you'll love me all the time, oh no  
B  
Don't say no, no, no, no, no, no  
F  
So, oh stay here right by my side  
B  
Love me all the time  
F

Say you'll love me all the time, oh no  
B  
Don't say no, no, no, no, no, no  
F  
You say you're haunted  
Tore up a promise  
B  
You don't know what that does to me  
F  
Guess that's the part of the story that's darkest  
B  
Tried to protect you as if I could see  
F  
I been living fantasies  
B  
Blurred out all the things that you like  
F  
Don't need the finer things  
B  
You don't want it all  
F  
Just wanna be my wife  
F  
Girl we made a baby, what'd you thank me for?  
B  
You gave me her life, gave me worlds, gave me hope  
F  
Gave me all I wanted, gave me love, gave me more  
B  
Love her all the time  
F  
Need you both or I'm broke  
F  
So, oh stay here right by my side  
B  
Love me all the time  
F  
Say you'll love me all the time, oh no  
B  
Don't say no, no, no, no, no, no  
F  
So, oh stay here right by my side  
B  
Love me all the time  
F  
Say you'll love me all the time, oh no  
B  
Don't say no, no, no, no, no, no
