She whispers so slow

Till you're screaming and you're sore  
D A  
And we live for that rush  
Bm Em  
And we rush for that love  
G  
And we look for that one

She's dripping to the core  
Bm

Says to me, ?can I explore

Your body, feeling exotic

And I just need a little tour?

We start off just by touching  
Bm  
Then we go on to rubbing  
D  
She says ?I'm on top  
Let me ride.  
A  
I say, ?uh-uh, I'mma get that loving?  
Em  
I thought you could take it fast  
Bm  
Yeah, you like it when I slap your ass  
D  
Take it all, I'mma go deep  
A  
Keep it so sweet, one night to make it last  
Em  
She's close, I'm about to wrap  
Bm  
She can't open up her eyes  
D  
I'm driving deep and her body's so weak  
A  
And I can't let go inside  
G  
I just wanna take your picture  
D  
Go 'head stand there in the door  
Em  
Let's get naughty, let's get naughty  
G D  
Take your body to the floor  
G  
Take that thing and make it drop  
A  
Come over and show me more  
Bm  
Hold me softly, I'll keep going  
D  
Till you're screaming and you're sore  
A  
And we live for that rush  
Bm Em  
And we rush for that love  
G  
And we look for that one  
Bm  
That just straps up your heart  
A  
And you're back to the start again  
Bm D  
And she prays for the love  
A Em  
So I stay and we run  
Bm  
Sends a wish on a star  
D  
Now just wraps up her heart  
A  
We were trapped from the start  
D A D  
So we live for that rush  
Bm Em  
And we rush for that love  
Why can't we
