

# Sonata Arctica - Dream Thieves

tom:  
Ebm (forma dos acordes no tom de Em )  
Afinação: Eb Ab Db Gb Bb Eb

Welcome, come in, yes this is me  
I gave once too much and now  
I can't get rid of thee  
I can't be subtle, I can't be kind  
Why should I be there for you  
Fuck off and get a life!

Read a book unwritten  
Kill the poet's dream unhidden  
I wonder did I love too much, cross the final line?  
Rip my life and spread the news  
Cut my wings and make me choose  
I leave the fuckin' sword in the rock  
Feel hurt? Why should I give a damn?

I know I'm easy target  
I'm sold on black market  
How would you feel if I stole what you need?  
I give everything to you, what will you do?  
What makes you think you won't burn in Hell?  
You see a life but not mine  
Read me a line from your torture guide  
Download new lies on your scythe

( Bm Gb Bm G A Em G )  
( Bm Gb Bm G A Em G )

This is my vision, this is one man's decision  
Wise thinking from a fool  
For twisted minds I'm a fool  
I could be independent, but I can take the heat  
Variety of thieves make my illusions obsolete
