

Sonata Arctica - Victoria's Secret

tom:
G

The light escapes her room tonight
Bm D E Gbm

Every little moment tells her, now it's time
Bm D E Gbm

Opening a new scar, closing the wounds with a knife
Bm D E Gbm

No more crying in the lantern's light
Gbm E A Bm

Leave with the first light
Gbm E A Bm

Go when you still see the moon
Gbm E A Bm

Run for the sunlight
Gbm E A Bm

Gate is now open for you

Dancing on the path and singing, now you got away
Gbm D A

You can reach the goals that you have set from now
A

On everyday
Gbm D

There is no way you would go back now, oh no, those
A

Days are past
Gbm D

Life is waiting for the one who loves to live, and
A

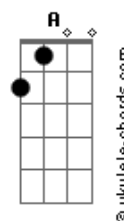

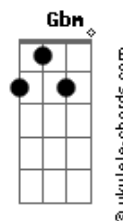

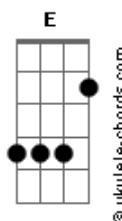

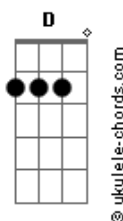

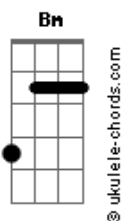

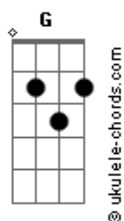

It's not a secret
Bm D E Gbm

The shades of darkness filled her life
Bm D E Gbm

In every single corner you can not turn right
Bm D

Night could pass for a day, in her lack of faith
E Gbm

Acordes

She let it all fade away
Bm D E

Once more, cry in the lantern's light
Gbm E A Bm Gbm E A

Lost in the sunlight, leave, you will not see the
Bm

Moon
Gbm E A Bm Gbm E A Bm

Walk for the first time, no one has waited for you

Dancing on the path and singing, now you got away
Gbm D A

You can reach the goals that you have set from now
A

On everyday
Gbm D

There is no way you would go back now, oh no, those
A

Days are past
Gbm D

Life is waiting for the one who loves to live, and
A

It's not a secret
