

# Sonata Kay - You Will Fade

tom:

**G**

**Gbm**  
You will never know

**A**  
How much I've hurt for you

**E**  
And I will never tell

**D**  
I'll just walk away  
Hope you'll follow through

**Gbm**  
You will never know

**A**  
How many times I've walked

**E**  
Through the places, we have talked about

**D**  
To claim them back, to unthink you gone

**Gbm** **A**  
Oh you will fade

**E**  
'Cause nights chase days

**D**  
And moonlight leaves with the dawn

**Gbm** **A**  
Oh you will fade

**E**  
Like dust in the rain

**D**  
Like the falling leaves when winter comes

**Gbm**  
So put that sweater on

**A**  
When the nights get cold

**E**  
When the island breeze

**D**

Lands snowflakes at your door

**Gbm**  
Put that jacket on

**A**  
When you go outside

**E**  
Make sure to wrap up warm

**D**  
Keep the light in those blue eyes

**Gbm** **A**  
Oh you will fade

**E**  
'Cause nights chase days

**D**  
And moonlight leaves with the dawn

**Gbm** **A**  
Oh you will fade

**E**  
Like dust in the rain

**D**  
Like the falling leaves when winter comes

**Gbm** **A**  
Oh you will, I

**E**  
I will, this

**D**  
This will fade

**Gbm**  
You, you will

**A**  
So why do I still

**E** **D**  
Want you to stay?

**Gbm** **A**  
Oh you will fade

**E**  
'Cause nights chase days

**D**  
And moonlight leaves with the dawn

## Acordes
