tom:  
Intro: Eb Abm Cm Ab4  
G#7M Gm7 Fm7 E7M

[Primeira Parte]

You will always remember the things I need  
You're full of heart and a fool for me  
Oh, I'm flattered by every love letter you send me every day  
I will always remember the smiles we make  
Days full of fun and as sweet as cake  
Keep me up every night  
I find myself thinking of you all night long when I get home

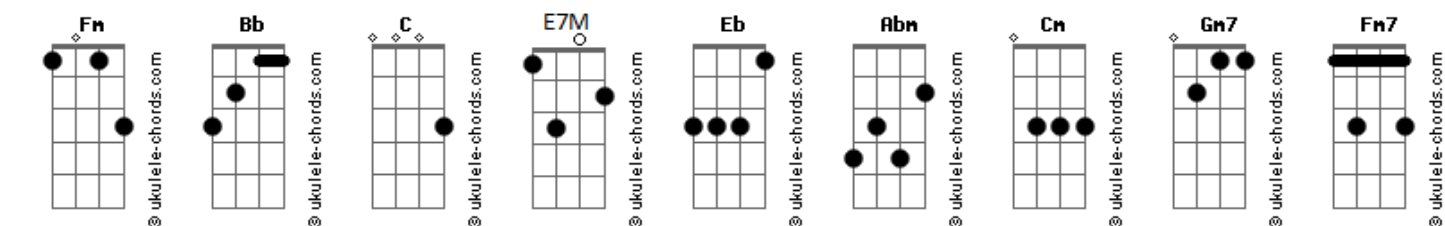

[Pré-Refrão 1]  
My heart is blooming for you, never knew  
[Refrão]

Love is full of wonder, feels so right in my heart  
Oh, I am happier than ever, alright  
Miss you every day though I see you all day  
Oh, why? I can't explain it  
You became part of me in every way, yeah  
My heart is so full of you now  
And you're forever mine  
I know that you and I feel the same, baby

[Segunda Parte]
