

Sônia Katherine - Sol

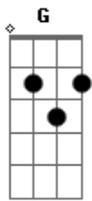

tom: G D

Sol, sua luz linda e divina
 Vai entrando na retina
 Descortina vida e cor, oh sol!
 Sol, vem rompendo a madrugada
 Traz a luz da alvorada
 Espalhando seu calor
 Dá asinhas a cada célula

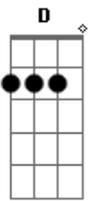

Que voam como libélulas
 Rendendo glória à alegria
 Entra forte pela janela
 Trazendo a chave amarela
 Que abre o portal da vida

Vamos subir pela escada desta luz que ilumina
 Contamina com sorrisos o seu dia
 E leva no peito a luz do sol
 Espalha esta luz como um farol
