Intro: B A E B A E

```
B                               Gm
Rolling around at the speed of sound
         E                 Gm  Gb
Got places to go, gotta follow my rainbow
B                            Gm
Can't stick around, have to keep moving on
         E                 Gm  Gb
Guess what lies ahead, only one way to find out!
E      Gb      B     Gm    E
Must keep on moving ahead
          Gb               B            Gm      E
No time for guessing, follow my plan instead
     Gb     B            Gm
Trusting in what you can't see
E                  G       A
Take my lead I'll set you free
Gb        G
Follow me, set me free
Gm                       A                    E
Trust me and we will escape from the city
           G       A
I'll make it through, follow me
Gb        G
Follow me, set me free
Gm                       A                    E
Trust me and we will escape from the city
           G               A
I'll make it through prove it to you
B        A  E
Follow me!

```

```
Danger is lurking around every turn
E                           Gm  Gb
Trust your feelings, got to live and learn
B                               Gm
I know with some luck that I'll make it through
         E                 Gm  Gb      E
Got no other options, only one thing to do!
      Gb      B        Gm     E
I don't care what lies ahead
              Gb               B            Gm       E
No time for guessing, follow my plan instead
              Gb               B            Gm
Find the next stage, no matter what that may be
E                  G       A
Take my lead I'll set you free
Gb        G
Follow me, set me free
Gm                       A                    E
Trust me and we will escape from the city
           G       A
I'll make it through, follow me
Gb        G
Follow me, set me free
Gm                       A                    E
Trust me and we will escape from the city
           G               A
I'll make it through prove it to you
B        A  E
Follow me!
